Our Mission

Experience the DKB Pferdewoche Hohen Wieschendorf in its third round! This event combines top-class international equestrian sport with an exciting show program and a yard festival for the whole family. Our mission is to promote show jumping and preserve it for future generations.

"We riders and our grooms feel very welcome here! I have rarely experienced such a generous host, and rarely a host who lives his event like this!"

Richard Vogel
Olympic rider Paris 2024

"I don't think you can give Mr. Glantz enough respect: for building this facility and for this event. It's not just a normal horse show, it's an event. We can all be very grateful for that."

Christian Kukuk
Olympic champion
show jumping Paris 2024

Four Days World Class Show Jumping

Four days of show jumping at the highest level. With five world ranking competitions and over 20 nations taking part, this tournament is not only a flagship event for the federal state of Mecklenburg-Vorpommern but is already one of the most important equestrian events in Germany.

The „Hoffest“

The associated yard festival invites you to play, have fun and have the best entertainment on Saturday and Sunday. The impressive „Hoffest“ range extends from the hands-on circus and straw bale tower to the barefoot path and digging mountain to the exhibition-mile and the arts & crafts market. Complemented by a great gourmet mile, this special offer invites you to stroll and linger at Northern Germany's most beautiful riding facility directly on the Baltic Sea.

Our sparkling "Piece of Glantz"

The spacious VIP area offers an excellent view of the tournament venue and also delights its guests with gastronomic highlights from our strawberry and asparagus fields.

The ideal place to make new contacts and maintain existing friendships or business relationships.

Our Shows

The evening show programs are:
extraordinary, spectacular,
fast-paced and new for the year.
Let yourself be surprised and
captivated!

Tattoo March & Golden Strawberry

The event experienced its most celebratory moment with the awarding of the "Golden Strawberry". This prize is awarded annually to a person who has made a special contribution to equestrian sports. The highlight: honoring the newly crowned winner with a ceremonial tattoo.

Doing good together!

Every year our charity auction supports a cause close to our hearts. Most recently the Shetland pony "Fuerst Holger" had been successfully auctioned and the proceeds went to the JPF Children Foundation.

Together we make the difference.
